

**AUSTRALIA'S ULTIMATE DESERT RACE  
QUEENS BIRTHDAY WEEKEND 7 - 10 JUNE 2024**

---

**2024 TATTS FINKE DESERT RACE  
A GUIDE FOR VOLUNTEERS**

“The Finke” as it is commonly called has been run annually in Central Australia for 47 years. This an internationally renowned event has been community run organized and operated by volunteers with support from a handful of paid part-time staff (specifically in the administration and information technology departments). 2023 saw 383 registered volunteers. The majority of these are Alice Springs residents, however, a significant number come from other parts of Australia – sometimes on an annual basis. Our volunteers bring a vast range of knowledge, skills, and experience to the event... and we couldn't do it without them!

Anyone can volunteer and there are no prerequisites required for many of the roles. While some require training and accreditation (e.g. scrutineering) there are many that don't (e.g. car park attendants, catering etc.). Team Leaders will ensure that volunteers are competent and comfortable in their roles and where necessary, training will be provided, and briefings arranged.

Most of the roles relate to tasks over race weekend however, some cover the week prior to the race, with others like track maintenance and marking which extend over the months and weeks prior.

The following list is intended to give potential volunteers a feel for the help that is required. There is usually a lot of flexibility – e.g. the Flag Marshal is not required to volunteer for all three race days – providing the Volunteer Co-ordinator or Team Leader is aware of who is expected where and when. Some volunteers may have two or more roles – e.g. one in registration week and another on the race days.

The Finke Desert Race welcomes everyone – motorsport enthusiasts or not – to come and immerse themselves in the “behind the scenes” aspects of our event and join the “Finke Family”.

**Race Week 2024**
