### Finke supports Jol Fleming fundraiser

The Finke Desert Race Club is pleased to announce that it has made a donation to a fundraiser for longtime volunteer Jol Fleming.

At a recent function to raise funds to get Jol back out bush in some comfort, Club Vice President Damien Ryan was on hand to present a cheque for \$1000.

"We are pleased to support the fundraiser for the construction of a purpose built off road caravan to allow Jol to pursue one of his true loves; camping in the outback", said Antony Yoffa President of the Finke Desert Race Club.

Jol has been a key part of the Tatts Finke Desert Race over 20 years and can be heard on the UHF race radio on race days. He was named as a Finke Hero in 2008 for services to the event.

"This donation was the Club's opportunity to give a little in return" said Mr Yoffa.
