Queens Birthday Weekend 5-8 June 2015

Media Release - 29th December 2014

Increased competitor numbers for 40th Finke.

The organisers of the Tatts Finke Desert Race today announced an increase in the number of places for competitors in the 2015 event.

"There will be 110 places in the car section of the event and 600 places in the bike section" said Finke Desert Race Club President Antony Yoffa.

"There is incredible interest in the 40th Finke and we anticipate a considerable increase in entries and substantially more spectators and crew."

Up to 15,000 spectators are expected to camp along the 225km track to witness the very best of Australia's off road competitors tackle the toughest desert race in the country.

The car section of the event is again a round of the Australian Off Road Championship. The profile of this championship has been boosted significantly over the past two years with free to air television exposure.

In the lead up week to the event, there will be an additional function added to the calendar of events. A 40th Finke celebration dinner will be held on Thursday 4th June which brings forward the Finke Family night to Wednesday 3rd June. Registration for all competitors will open on Wednesday 3rd June.

"The 2015 Tatts Finke Desert Race will feature the who's who of Australian motorsport with many former winners and industry identities expected to attend the event", said Mr Yoffa.

Bike entries open on the 27th January with car entries opening in March.
